Network**

**MID NORTH
YOUNG GUNS**
MAKING THE MIX WORK

SANTFA, Future Farmers Network and Mid North Young Guns appreciate the support of their sponsors and partners:

Fairfax Agricultural Media, Landmark, Seedmark, Seed Distributors, CAAANZ, Viterra, Sentek, John Deere, Soil Management Systems, Nufarm, Manutec, Bayer, MachAg, Serafin Machinery, Neutrog, Acqualab, Topcon, CropSmart and Goldacres.

**SANTFA, Mid North Young Guns
and Future Farmer's Network
are proud to host the**

2012 Mid North Winter Crop Walk

Friday 13th July 2012

Registration is free including coach & BBQ lunch (kindly provided by Viterra)

Free drinks and nibbles at The Taminga Hotel upon return (approx 5pm), kindly sponsored by the Future Farmer's Network.

Meeting at Mitre 10 carpark, Main North Road, Clare at 8am.

A jam-packed itinerary includes:

- Trials include studies on grazing on cereals, soft Wheat, Barley and Canola varieties, Biomass – A comparison of a number of commercial and novel pasture/fodder/vegetable varieties and Exceed Oasis – canola for low rainfall zones.
- Using a chaff cart to manage weeds.
- K-Hart & Bertini Disc Seeders.
- Using soil moisture probes to minimise risk.
- A working demonstration of Gallagher's new auto sheep-drafting system.
- Magnus' recycled silage plastic sheep grating products.
- Agronomist Dr Grant Roberts (Viterra), Research & Development Manager Greg Butler (SANTFA), Animal Production Specialist Daniel Schuppan (Landmark) on hand to answer questions.
